### **Livin' South of 7 is a traditional Red Ale**

Delicious full-bodied amber ale with a smooth caramel flavor at 5% ABV.

Red Ales are famous for a few things: Caramel and toffee malt notes, notes of slightly roasted grains, and a crisp dry finish.

There isn't a hop characteristic in this classic Red Ale because it is malt forward.

**Livin' South of 7** offers the drinker a deep amber colour with a medium body.

This beer is perfect for unwinding after a tough day at the office while on a patio or firing up the grill.

**Livin' South of 7** pairs perfectly with: burgers, BBQ, game, seafood, spicy entrees and pasta.
