### **Frost & Wood '55 is an Oak Infused Lager**

How do you make a great lager even greater?

Kick it up a notch and infuse it with oak and bring it to a nice medium toast!

**Frost & Wood '55** pours with a brilliant copper colour and a pure white foam.

The body is silky bringing sweet and savory notes to the palate.

**Frost & Wood '55** is a beer for those who love flavour and want to embrace a malt sweetness toasted to perfection.

### **Frost & Wood '55 pays homage to a strong manufacturing heritage**

Known worldwide for manufacturing state of the art farming equipment and munitions during World War II, Frost & Wood helped to place our town on the map and quickly became the backbone of Smiths Falls from 1839 – 1955.
